**MODULES: Faculty Chosen (F) & Student Chosen (S)**
- Education and Health Care Systems (F)
- Health Care Delivery (S)
- Research Design and Methodology (S)
- Wound Bed Preparation (F)
- Inflammation and Infection (S)
- Leg Ulcers, Venous, Arterial, and Others (F)
- Diabetic Foot Ulcers (F)
- Pressure Ulcers (F)
- Maintenance/Non-Healing Wounds (S)
- Post-surgical Wounds (S)
- Burns/Trauma (S)
- Skin and Peri-stomal /Peri-wound (S)
- Lymphedema (S)
- Skin and Soft tissue Infections (S)

**WHY ATTEND THE IIWCC**
- Certificate of completion from UofT
- Readings pre-selected by faculty
- Comprehensive therapeutic strategies
- Training to be an educator
- Small group interprofessional collaboration
- Hands-on patient care demonstrations
- Connect with international key opinion leaders
- Networking with colleagues old and new
- Can be used as a credit towards the MScCH Program at UofT Graduate Studies
- Information on new products and services

**ACCREDITATION-TBC**
This program meets the accreditation criteria of The College of Family Physicians of Canada and has been accredited for up to 46 Mainpro-M1 credits.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, approved by the University of Toronto for up to 40 hours.

This activity also designates a maximum of 46 AMA PRA category 1 credits toward the AMA Physician’s Recognition Award.

**Patient Rotation Sessions** are an accredited simulation activity as defined by The Royal College of Physicians and Surgeons of Canada, and can be claimed for a maximum of 6 hours.

As a result of a reciprocal agreement between the EACCME and the AMA, European registrants may claim 46 AMA PRA Category 1 credits as equivalent.

Family Physicians may seek additional Mainpro-M1 credits and MainPro-C credits through application to the College of Physicians and Surgeons of Canada for the successful completion of the program Modules and their Selective.

**IIWCC OVERVIEW**

The International Interprofessional Wound Care Course (IIWCC) is designed for wound care specialists with some education and experience: physicians, nurses, and other health professionals in the wound care field and related industry.

The IIWCC is a 9 to 12 month course, offered in partnership with the University of Toronto. The objective is to provide a comprehensive educational experience for wound care specialists and to translate new knowledge into practice.

- **Two core (mandatory) Residential Weekends** (4 days each)
- **Fourteen self-study modules** (9 required to complete)
- **A selective related to course content interpreted/presented to class members and a written report that is translated to each student’s day-to-day activities.**

Participants Will:

- Assess and critically review wound care literature in key subject areas (Residential Weekends and Modules)
- Integrate wound care principles into module answers and small group patient sessions (Residential Weekend)
- Demonstrate the application of best practices by developing a Selective related to the learner’s everyday activities

**QUALIFICATIONS**

Participants must have a health professional degree **OR** provide proof of a minimum of five years of relevant skin and wound care experience. A letter from an employer must be attached at time of application.
